

Personal Accident and Personal Property Insurance Policy

The Department of Education and Training and Hallam Senior College do not have insurance for accidental injuries or accidental property damage. However, in some circumstances, medical or other expenses will be paid by the Department where it is assessed that it is likely, in all the circumstances, that the Department is liable for negligent acts or omissions of its staff or volunteers.

For more information about the Department's public liability claims process, please see: [Negligence Claims Process](#).

Hallam Senior College encourages parents and carers to consider obtaining their own Accident Insurance for students and property of value that may be brought to school.

Hallam Senior College encourages parents and carers to purchase Ambulance Insurance to avoid potential costs in the event of serious illness or injury to students while at school or engaged in school programs at external venues.

Travel Insurance for camps

Hallam Senior College will purchase Travel Insurance for camps and sporting excursions that require significant travel (beyond 50 km from the school). The insurance is purchased through VMIA. Please contact the college for more details.
