Basketball Academy

The Hallam Senior College Sports Academy offers students a unique Basketball Development Program that provides specialisation in conditioning, training and playing whilst simultaneously providing career pathways connected to the Basketball Industry.

Aims

✓ Recognise high performance conditioning, skill training and playing as an integral educational tool and implement it as part of the student’s study.
✓ Develop advanced skills, knowledge and understanding of Basketball.
✓ Allow students to participate in competency based learning that will contribute to their ATAR score.
✓ Promote and enhance self discipline, goal setting, time management and leadership through team participation and team experiences.
✓ To increase the employability skills of students connected to the Sport & Recreation industry.

The program is accessible to Year 10, 11 and Year 12 students from Hallam Senior College.

Weekly Program Includes

Rehabilitation, strength & conditioning and/or physiotherapy, skills practice and match play, community links & structured workplace learning.
