Students wishing to apply for Sports Scholarships (Part of Full) at the College must adhere to the following set criteria in order to be considered and respond by formal written application to the Sports Academy by the date specified.

1. The candidate will have to be enrolled as a full time Hallam Senior College Student or be enrolled to begin as a Hallam Senior College Student the same year as they wish to access the scholarship.

2. Must demonstrate commitment to complete either VCE or VCAL i.e. scholastic record must show commitment to studies.

3. Agreement to represent the school in sporting events and to act as an ambassador of the school to the community.

4. All candidates are to fill out a formal application process providing the relevant responses to questions.

5. The selection panel shall base their decision upon the candidate’s written application and interview.

6. Part Scholarships are open to all applicants regardless of sporting ability. Students who have reached representative levels in their sport may be eligible for a Full Scholarship.
   - Students applying for a Full Australian Rules Football scholarships must be a currently listed TAC Squad Member at the associated age groups of Under 16 or 18 Age group.
   - Students applying for a Full Rugby League Scholarships must be a currently listed SG Ball/Toyota Cup Squad Member or State Representative at the associated age groups of Under 15 or 18 Age group.
   - All other Full Scholarship applicants must be current State or National representatives of their chosen sport.

7. Underperforming students on Sports Scholarships will have their position reviewed. Underperforming students are those students whose attitude and/ or results across a number of subjects and on the sporting field are deemed to be below the capabilities of the individual student. Students will be identified as underperforming by the Sub School Leader who will then, along with the Assistant Principal, interview the parents and student.

The student will be given the opportunity to improve. If there is insufficient improvement after a further term, the Sub School Leader in consultation with the Assistant Principal will remove the child from the Sports Scholarship. The decision about who remains in the Sports Scholarship is at the school's discretion.
