2-3 The Community Playgroup enjoy their end of year breakup with a special visitor.

4 The Hallam Senior College Girls’ cricket team made it to their 5th State Final in a row falling just 5 runs short of victory.
Year 11 Physics students were treated to a very special opportunity, visiting highly secure aircraft maintenance facilities at Melbourne Airport.

Some of the award winners at our Sports Awards night held on October 13. For a full list of the award winners please refer to the College’s website.
Some of the students’ artwork on display at the end of year Arts & Trades Exhibition held on 6th November.

Year 12 Visual Arts students produced a number of high quality pieces that went on display at their end of year exhibition.
Class of 2014 College Awards

Congratulations to the following students who have received awards for academic achievement in their chosen studies.

To the students who worked hard and are happy with their score, you should be proud of your achievements.

For those who may be disappointed, remember - the ATAR is the initial entry point for further education: nothing more and nothing less. It is not the sum of who you are and who you will become. Life provides many entry points into satisfying work, study and relationships.

So be ready to recognise the next one and go forward into a bright future.
