PURPOSE
To ensure that parent payment practices are consistent, transparent and ensure that all children have access to the standard curriculum.

RATIONALE
The Victorian community shares a vision to build an education system that champions excellence and ensures that every child and young person has access to the opportunities to succeed in life, regardless of their background or circumstances.

Schools are best placed to make local decisions which ensure that all students can access a broad range of learning opportunities that support their expectations and promote their aspirations as they move through the education system. Parent contribution, in all forms, assists schools to provide an enriched learning and teaching program for every student and is highly valued by school communities.

Learning and teaching programs vary across schools based on local needs and circumstances and reflect each school’s priorities, decisions and resources. This, in turn, informs the parent payment charges approved by school councils that may vary from one school to the next.

WHAT CAN SCHOOLS CHARGE FOR?
The Education and Training Reform Act 2006 provides for instruction in the standard curriculum program to be free to all students in government schools. School councils are responsible for developing and approving school-level parent payment charges and can request payments from parents under three categories only - Essential Student Learning Items, Optional Items and Voluntary Financial Contributions.

Essential Student Learning Items are those items, activities or services that are essential to support student learning of the standard curriculum. These are items that the school considers essential for all students and which students take possession of. Parents may choose to provide the items themselves or buy the items from the school where practical and appropriate.

Optional Items are those items, activities or services that are offered in addition to or support instruction in the standard curriculum program. These are provided on a user-pays basis so that if parents choose to access them for students, they are required to pay for them.

Voluntary Financial Contributions
Parents can be invited to make a donation to the school for a general or specific purpose, e.g. school grounds projects, library fund or for new equipment. Only some Voluntary Financial Contributions are tax-deductible.

The attached diagram “Understanding Parent Payment Categories” provides examples of items and materials under each category.

In implementing this policy, schools must adhere to the following principles:

1 Parent in the policy has the same meaning as in the Education and Training Reform Act 2006, which is: parent, in relation to a child, includes a guardian and every person who has parental responsibility for the child including parental responsibility under the Family Law Act 1975 of the Commonwealth and any person with whom a child normally or regularly resides.
PRINCIPLES

- **Educational value**: Student learning, aspirations and wellbeing are paramount when schools determine their parent payments practices.
- **Access, equity and inclusion**: All students have access to the standard curriculum program and participation of all students to the full school program is facilitated.
- **Affordability**: Cost to parents is kept to a minimum and is affordable for most families at the school.
- **Engagement and Support**: Early identification and engagement strategies by the school ensure parents are well informed of the payment options and supports available for those experiencing hardship.
- **Respect and Confidentiality**: Parents and students experiencing hardship are treated with respect, dignity, sensitivity and without judgement and the identity and personal information of all parents and students are kept confidential in respect to parent payments.
- **Transparency and Accountability**: School parent payment practices are well communicated, clear and transparent and their impact on student programs and families are reviewed by school councils.

COST AND SUPPORT TO PARENTS

When school councils consider the proposed requests for parent payments the cost is kept to a minimum and is affordable to most parents at the school.

School principals must ensure that:

- items students consume or take possession of are accurately costed
- payment requests are broadly itemised within the appropriate category
- parents are advised that they have the option of purchasing equivalent Essential Student Learning Items themselves, in consultation with the school
- information on payment options is available, accessible and easily understood to all parents so that they know what to expect and what supports they can access
- parents are provided with early notice of annual payment requests for school fees (i.e. a minimum of six weeks’ notice prior to the end of the previous school year). This enables parents to save and budget accordingly.
- parents are provided with reasonable notice of any other payment requests that arise during the school year- ensuring parents have a clear understanding of the full financial contribution being sought
- the status and details of any financial arrangements are kept confidential and only shared with relevant school personnel
- parents experiencing hardship are not pursued for outstanding school fees from one year to the next
- use of debt collectors to obtain outstanding school funds owed to the school from parents is not permitted
- there will be only one reminder notice to parents for voluntary financial contributions per year
- Invoices/statements for unpaid essential or optional items accepted by parents are not generated more than monthly or according to the parent payment arrangement with the school.
SUPPORT FOR FAMILIES
Families may experience financial difficulties and may be unable to meet the full or part payments requested. Principals and school councils exercise sensitivity to the differing financial circumstances of students and their families when considering parent payment fees. There are a range of support options available to support and assist parents. These can be accessed through “Cost support for families.”

Consideration to hardship arrangements in respect to payment requests is provided to families experiencing long term hardship or short term crisis on a confidential, case by case basis. All schools have written hardship arrangements that include a proactive approach to providing support for parents experiencing financial difficulty.

All parents are provided the name and contact details of a nominated parent payment contact person at the school who they can discuss payment arrangements with.

ENGAGING WITH PARENTS
In respect to each school’s development of its parent payments, school councils will engage in effective communication with the school community and have strategies in place to ensure they are aware of and understand the needs and views of parents.

REVIEW OF POLICY IMPLEMENTATION
Schools will monitor the effectiveness and impact of the implementation of this policy at least annually as part of its ongoing improvement and report back to the school community.

Understanding Parent Payment Categories

**Schools**

**What does the legislation say?**

The Education and Training Reform Act (2006) provides for free instruction in the standard curriculum program to all students in government schools. The Act also empowers school councils to charge fees to parents for goods and services provided by the school to a child.

In the Act, a ‘Parent’ includes a guardian and every person who has parental responsibility for a child including parental responsibility under the Commonwealth Family Law Act 1975 and any person with whom a child normally or regularly resides.

**What do schools pay for as part of ‘free instruction’?**

Free instruction is the teaching staff, administration and the provision of facilities in connection with the instruction of the standard curriculum program, including reasonable adjustments for students with disabilities.

The standard curriculum for Years F-10 means implementation of the Victorian Curriculum F-10.

The standard curriculum for senior secondary schools means a program that enables a student to be awarded a VCE or VCAL qualification.

**What principles govern parent payment practice?**

- Educational Value
- Access, Equity & Inclusion
- Affordability
- Engagement & Support
- Respect & Confidentiality
- Transparency & Accountability

**Parents**

**What may parents be asked to pay for?**

Schools can request payment for

**Essential Student Learning Items**

These are items, activities or services that the school deems essential to student learning of the standard curriculum.

Where practical and appropriate, parents may choose to purchase items through the school or provide their own.

These may also be either:

- **Items the student takes temporary or permanent possession of**
  - e.g. textbooks, activity books, exercise books
  - stationery, book bags
  - student ID cards, locks
  - cooking ingredients students will consume
  - materials for final products that students take home (technology projects, build-your-own kits, dioramas)
  - Picture Exchange Communication Systems

- **Activities associated with instruction that all students are expected to attend**
  - i.e. travel, entry fees or accommodation
  - e.g. excursions, incursions, school sports, work placements

Parents can be asked to pay for items, activities and services in the three Parent Payment Categories:

- **Essential Student Learning Items**
- **Optional Items**
- **Voluntary Financial Contributions**

Schools determine how items, activities and services are classified within these categories based on the learning and teaching program of their school.

**Optional Items**

These are items, activities or services that are optional and are offered in addition to the standard curriculum.

Students may access these on a user-pays basis.

These may be either:

- **Items the student purchases or hires**
  - e.g. school magazines, class photos
  - functions, formals, graduation dinners
  - materials for extra curricular programs
  - student accident insurance

- **Activities the student purchases**
  - e.g. fees for extra curricular programs or activities, such as instrumental music tuition
  - fees for guest speakers
  - camps, excursions, incursions, sports
  - entry fees for school run performances

- **Items and/or materials that are more expensive than required to meet the standard curriculum**
  - e.g. use of silver in metal work instead of copper
  - supplementary exam revision guides

Schools can invite

**Voluntary Financial Contributions for**

- e.g.
  - Building or Library fund (Tax deductible)
  - Voluntary contributions for a specific purpose, such as equipment, materials, services.
  - General voluntary contributions

Support for families experiencing hardship is available at every school and each school has a parent payment contact person. See your school’s policy for more information.

Parent Payment Policy

Rationale:
To provide guidelines for the collection of parent payments and to communicate them to the school community.

Parent Payment Charges
School organisational arrangements will ensure that:

- School Council determines parent payment charges annually.
- Charges will be kept to a minimum and will not exceed the cost of the relevant materials or services provided to the student.
- A minimum of six weeks notice will be given for essential educational items and optional payments to allow parents and guardians sufficient planning time.
- The school will invite voluntary contributions to our Library and Building funds but they will not appear on family statements unless an amount is contributed. There will be no further follow up issued to parents for these contributions.
- Records of parent payments, contributions and payment plans will be kept confidential.
- Statements reflecting unpaid essential education items and optional items accepted by parents are generated and distributed on a regular basis, but not more than once a month.

Payment Arrangements and Methods

- The School Finance office is open from 8.15am until 3.45pm on school days with some late evening operations late in term 4 and early in term 1. These late evening dates will be communicated to parents along with other College information and published on our website.
- Payments may be made using cash, Visa card, MasterCard or by Bpay.
- Individually negotiated payment plans may be arranged by either visiting the Finance Office or by telephone.

Family Support Options
Families will be supported by access to the following:

- CSEF: DET provided funds to support students’ attendance and participation in Camps, Sport and Excursions/Incursions. Eligible Parents/Students are encouraged to apply for this support and are given the opportunity to use these funds within the DET guidelines.
- State Schools’ Relief: accessed by making contact with our Student Wellbeing team, eligible families may be supported to access uniform, calculators, books and uniform.
- Other Local Community Supports: accessed by making contact with our Student Wellbeing team, other local community agencies may support families experiencing hardship.

Consideration of Hardship
Hallam Senior College School Council are aware that some families may experience particular hardship. In these instances, please make contact with the College’s Business Manager, Michele Fallon, at the College on 9703 1266 or in person to discuss individual needs and options.

Communication with Families
This School Council endorsed policy will be included with:

- The pack confirming subjects mailed home during term 4 each year.
- The enrolment pack given to each family upon initial enquiry about enrolment at Hallam Senior College.
- Policies on the College website.

Monitoring and Review of the Implementation of the Policy
The effectiveness of this policy will be monitored and reported back to the School Council Finance sub-committee at each meeting.

This policy will be review annually or sooner should the need arise.

Policy version no. 1.0 ratified by School Council on Monday 12th September 2016.
